VENN PARTNERS RAISES OVER £6,500 FOR CHARITY PURSUANT TO ITS ESG POLICY

Venn Partners was delighted to take part in an Apprentice style challenge to raise much needed funds for Indigo Volunteers, a charity that recruits volunteers and connects them with humanitarian projects across the globe. Two teams spent the day in fierce competition, using their skills to raise as much money and as many prize donations as possible. We raised over £1,200 in cash donations and managed to obtain some brilliant prizes including a night in a luxury hotel, dinner for two at a number of exclusive restaurants, tickets to various sporting fixtures and some desirable sporting memorabilia. These prizes will be auctioned off at a wine tasting event being hosted by Indigo Volunteers on 23rd October 2019. It is estimated that the teams raised a combined total of £6,574 for the charity, and it is hoped that the auctioned value of the prizes will take the total amount raised towards £10,000.

Kelly Chu from Indigo Volunteers said: “Thank you to everyone at Venn for all the hard work and passion they put into fundraising for us. We are absolutely over the moon and are so pleased to have had this opportunity”.
