

## PRESS RELEASE 26 MAY 2022

# LandAid

**ARA Venn** is pleased to announce that on 24 May 2022, seven members of the team tied up their running laces and took part in the **LandAid 10k Run** in Regent's Park, to raise money for young people experiencing homelessness.

The Covid-19 crisis has had an immense effect on all of us, on our daily lives, our businesses, our sense of security and the impact can be felt even more acutely by young people. In London the number of young people sleeping rough on the streets has risen by 47% since the start of the pandemic.

**LandAid** brings the property industry together to support emergency funding for charities across the UK, delivering life-changing services to young people who are or have been homeless, or who are at risk of homelessness in the future. Their core grants help fund capital projects to renovate existing or create new safe, secure and affordable accommodation for young homeless people.

So far Team **ARA Venn** has raised over £2,900 for this fantastic cause and all money raised will go towards creating bed spaces for some of the most vulnerable people in our society.
