**23 OCTOBER 2023**

## Volunteering Day at wearegrow

**ARA Venn**, an ESR company, is pleased to announce that on 20th October 2023, in conjunction with [wearegrow](#), it participated in a volunteering day at the GROW agroecological farm and outdoor learning hub.

As part of the firm's ESG policy, **ARA Venn** is proud to have adopted the '1-1-1' model, which means that 1% of each of its profits and people's time, on an annual basis, is given to support community causes, together with a pledge to be carbon neutral.

This year, as part of that commitment, a team of 8 employees gave their time to assist [wearegrow](#) at their GROW farm at The Totteridge Academy in North London. The work involved lots of weeding and clearing, labelling produce, sorting garlic, and collecting eggs.

[wearegrow](#) works with schools and communities delivering bespoke programmes in sustainable food growing and outdoor learning. They work predominantly with local children, young people and families who experience barriers to learning, healthy living, and employment.
