9 OCTOBER 2023

Streets of London Big Sleep-Out

We are delighted to announce that **ARA Venn**, an ESR Company, participated in the [Streets of London](#) Big Sleep-Out 2023.

On Friday (6 October), six brave team members slept on the streets for one night to raise money for the homelessness charity [Streets of London](#), that raises funds and awareness for people who are homeless in London.

In the last eight years, [Streets of London](#) has raised more than £750,000 to fund some fantastic projects that offer life-changing support to people living on the streets in the capital.

The Team raised over **£3,500** which will go towards this important cause, supporting some of the most vulnerable people in our society.

The challenge aligns with the firm's ESG policy whereby (at least) 1% of each of our profits and people's time, on an annual basis, is given to support community causes, together with a pledge to be carbon neutral.
