## Streets of London Big Sleep-Out

We are delighted to announce that **Venn**, an ESR Company, participated in the sixth annual [Streets of London](#) Big Sleep-Out.

On Friday (18 October), three team members braved the elements and slept rough in the rain for one night to raise money for the charity [Streets of London](#), that raises funds and awareness for people who are homeless in London.

It was a very humbling experience and gave a small insight into what it must be like for those who have no choice but to be out on the streets, no matter the weather.

Since 2015 [Streets of London](#) has made grants totalling more than £1 million to fund some fantastic projects that offer life-changing support to homeless people in the capital.

The Team raised over **£1,870** which will go towards this important cause, supporting some of the most vulnerable people in our society.

The challenge aligns with the firm's ESG policy whereby (at least) 1% of each of our profits and people's time, on an annual basis, is given to support community causes, together with a pledge to be carbon neutral.
