

PRESS RELEASE
7 NOVEMBER 2024

Heath Hands

We are delighted to announce that **Venn**, an ESR Company, participated in a conservation and community volunteering day with Heath Hands.

As part of the firm's ESG policy, it is proud to have adopted the '1-1-1' model, which means that 1% of each of its profits and people's time, on an annual basis, is given to support community causes, together with a pledge to be carbon neutral.

This year, as part of that commitment, a team of five employees gave their time to assist Heath Hands with its daily conservation and garden maintenance, on Hampstead Heath. The work involved pruning, weeding, clearing debris, and the removal of lots of leaves.

Heath Hands helps conserve 350 hectares of unique green space in North London. Their team works across Hampstead Heath, Highgate Wood and the Kenwood Estate delivering a wide range of volunteering, community, education and outdoor nature related programmes.
