## PRESS RELEASE

# ACADEMY OF REAL ASSETS

On 3rd July 2025, Venn Partners was delighted to host a careers and networking event at its offices in Soho, on behalf of the Youth Network of the Academy of Real Assets. Fifteen engaged and curious students from across the Academy's London partner schools attended the event, where they took part in informal talks and one-to-one conversations about careers and opportunities in real estate and law. Volunteers from Venn, Waypoint and BCLP shared their insights, advice, and personal career journeys, helping to inspire the next generation of professionals

Venn has been a member of the Academy of Real Assets since 2023. The Academy is dedicated to improving socio economic diversity in the real estate and real assets sectors by partnering with schools, youth organisations and philanthropic groups to deliver a programme of workshops, site visits and work experience opportunities.

This initiative aligns with Venn's Environmental, Social and Governance (ESG) policy, which includes a commitment to donate at least 1% of annual profits and employee time to community causes, alongside a pledge to remain carbon neutral.
