## PRESS RELEASE

# CELEBRATING INTERNATIONAL VOLUNTEERS DAY AT VENN!

### Celebrating International Volunteers Day at Venn!

This International Volunteers Day, we want to thank all our staff who have generously and enthusiastically donated their time this year to a range of worthwhile causes.

As part of Venn's Environmental, Social and Governance policy, we are committed to donating at least 1% of annual profits and employee time to community initiatives, alongside our pledge to remain carbon neutral. In addition to our ongoing partnership with The Soup Kitchen London, where two volunteers attend each month, and The Academy of Real Assets, where we've lent support to several student workshops and career events, our team has also contributed to:

- A day litter clearing the banks of the River Thames on behalf of Thames 21
- Sponsored events for LandAid and Smart Works;

as well as supporting a variety of personally selected charities, including the Sussex Dolphin Project, The Listening Tree, and the Yorkshire Wildlife Trust.

In total, approximately 58 staff volunteering days have taken place so far this year—a fantastic achievement that reflects the volunteering spirit at Venn! We look forward to continuing the good work next year!
